We have the 100+ seats reserved in section 9 behind home plate for the Saturday June 17th game!

We will also do a membership table at the entrance inside Gate B where a majority of the people walk in.

This is a cashless ballpark, and they accept all major credit/debit cards and Cubbie Dollars. There are two reverse ATM's by the Fan Services Center on the concourse as well.

Parking is first come first serve at \$13/per vehicle.

**Starting the 2023 season, we will only be accepting clear bags that are 12" by 12" or small clutches. There is no outside food and beverage allowed into the park.

We are looking forward to have you all at the park again this year!
